The experts at these area pet salons will get your unkempt pooch ready to hit the streets in no time. From a posh pet salon to a door-to-door mobile service, you can't go wrong no matter which option you choose. Now your pet won't hide in shame when confronted by the pack at that new dog park. Visit any of the pet groomers below. They have proven themselves as the best at transforming a tangled mess into a beauty queen.

Canine To Five

3443 Cass Ave.

Detroit, MI 48201

(313) 831-3647

www.caninetofivedetroit.com

Dogs love it here! That's because they get the full attention they deserve, and get a brand spankin' new 'do that will make them the envy of neighborhood. Dogs adore the staff here because they really get to know every personality that walks in on four feet. This pet emporium offers every breed from that sassy Lhasa Apso to the regal Afghan Hound a full range of specialty services. Labs may like to try a soothing oatmeal bath while that Pug swears by the "fumigator" – a service that helps put the brakes on over-the-top shedding. Another cool thing about Canine To Five is that this business hosts a ton of stellar events for pets and their owners.

Peppermint Pet Parlor

6022 N. Sheldon Road

Canton, MI 48187

(734) 453-7711

www.peppermintpet.com

Peppermint Pet Parlor is a posh spot for pets, but definitely appeals to humans too. Believe me, if it wasn't exclusively for pets, you'd be going here to get dolled up yourself. This is a one-stop shop for pet grooming for both dogs and cats. The staff here will put your pet at ease while pampering them at the same time. Bring your French Bulldog in to try out the goods at this modern pet salon, which features cutting-edge equipment. Your Bull Mastiff will love special treatments like teeth brushing and nail buffing, while that pretty Persian will appreciate being well cared for in this shop that uses no chemicals or hot dryers.

Bubbles & Bark

21300 Harper Ave.

St. Clair Shores, MI 48080

(586) 552-2757

www.bubblesnbarks.com

Bubbles & Bark allows pet owners to select the service that fits their needs best. There are three types of services to choose from, including self service, basic and full service. Looking to spruce up your furry friend yourself without your bathroom ending up looking like a scene from Splash? Then the “wash your own” option is for you. Dirty pups without crazy matted fur could try out the “We Wash” option. Groomers will leave your Doberman Pincher with a shiny coat and fresh scent. For dogs with fur that needs to be styled, or if your pet needs some extra TLC, check out the full-service groom.

Scrubbers

2713 W. Webster Road
